

Los Cien Board of Directors Job Description

The Organization

Los Cien Sonoma County is dedicated to facilitating crucial discussions surrounding matters concerning the Latinx community. We aim to shed light on Latinx experiences and create a platform for constructive dialogue that leads to solutions and empowerment for all community members. Los Cien emphasizes respecting diverse viewpoints and maintaining professionalism during these conversations.

Los Cien recognizes that racism disproportionately affects various communities, including Asian, Black, Brown, and Indigenous groups, posing a threat to the well-being and democratic values of Sonoma County. We are committed to confronting and exposing the oppression caused by racism.
